- Professional Training Institutes
- Corporate HR Departments
- Corporate HR Departments
- E-Learning Platforms
- Government Exam Preparation Platforms
- Recruitment Agencies

Best Revenue Generation Tool for Teachers, Educators, Trainers, Coaches, Tutors etc.

Monetize Your Content

Create new revenue streams by leveraging your students and learners

Maximize Revenue

Increase income through ads, premium content, and subscription models
(Both: existing and aspiring news creator)

Revenue Assurance: ₹20,000 to ₹50,000

Based on our experience, if 1,000 users visit your website/app twice a day, we can help you to earn between ₹25,000 to ₹50,000 per month through Google AdSense and Meta.

IMPORTANT POINT: When your content is viewed on your own app or website, you can earn up to 20 times more compared to YouTube or other social media platforms.
